SCAN MASTER 3

**A3+ Desktop Book Scanner
Manual Book Cradle
600 dpi**

A3+ Scan & Copy System

The New Portable Low Cost Book Scanner

The SCAN MASTER 3 was designed to scan books in high quality at a reasonable price. It is a light desktop unit that can be moved around easily. With a scan speed of less than 3 seconds (A3, 300 dpi, color) it offers high productivity combined with high quality output.

New Book Cradle Concept

The SCAN MASTER 3 is equipped with a new manual self-leveling book cradle. Much like opening a glass plate the operator simply lifts the top of the scanner, places the book and closes the lid. The scanning process is being released automatically. This concept offers a very high productivity combined with high quality and comes at a rather low price.

Standard Technology for Your Convenience

Standard application software is provided along with the SCAN MASTER 3. However, due to the included TWAIN driver it is possible to utilize any other TWAIN compatible application software as well.

User Friendly for the Operator

The SCAN MASTER 3 can be operated independent from ambient light - just like all SMA book scanners. No matter if you position the scanner next to a window or in a shady corner - your scanned images will always be the same quality. In addition, the operator does not get irritated by illumination elements which are necessary with other book scanners.

Mobile Use & Durability

Due to its low weight, small dimensions and rugged design the SCAN MASTER 3 is well suitable for mobile applications. It allows the user to transport the scanner to and from work stations with ease. Moreover the SCAN MASTER 3 is nearly maintenance free.

Technical Specifications & Options

Scanning Range

432 x 300 mm (17 x 11.8 inches)
